## Why choose Teen Road to Safety?

We offer the best-qualified defensive driving course in Southern California. *What makes us different from the rest?* Teen Road to Safety goes above and beyond the state requirements to deliver a powerful and concentrated teen driver education program designed to give teenage drivers the skills they need to drive defensively and safely in all road conditions and situations.

Another advantage of Teen Road to Safety is our staff of driving instructors. *All of our instructors are either current or retired law enforcement officers.* We teach students all the latest safe-driving techniques, along with California-specific traffic laws that will prepare them for a lifetime of safe and courteous driving.

With our classroom sessions, behind-the-wheel training, and advanced driving skills program combined as a whole package, *our course is rated #1 in California by the NDII (National Driving Instructors Institute).*
